Mahindra Front Loader 13FX

KEY FEATURES

Loader Attachable and Detachable in 2 Minutes

Zero Modifications on Tractor for Installation

Well-engineered Product with Easy & Comfortable Operation

Self-leveling System

Maintains the bucket angle from bottom to top during operations, so content doesn't shift out of bucket.

Parking Stands

The loader boom can be parked without any damage to the bucket or the boom.

Friendly Use

Single lever operated control valve for high accuracy and comfort

Gas and Oil Filled Shock Eliminator

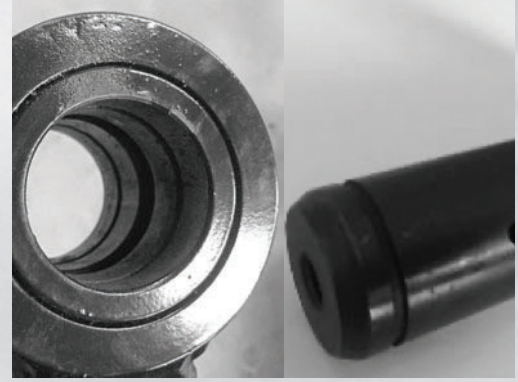

Ensures smoother ride and less jerks.

KEY FEATURES

Pin Type Attachment

Allows single person to hitch or unhitch the loader without using any tool

Hardened Pins and Bushes

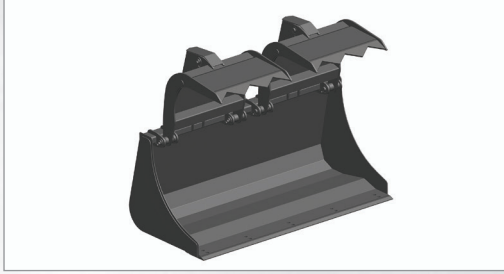

Comes with Grease channels and storage, ensures high durability of loader

Well-Engineered Product, Zero Tractor Modification

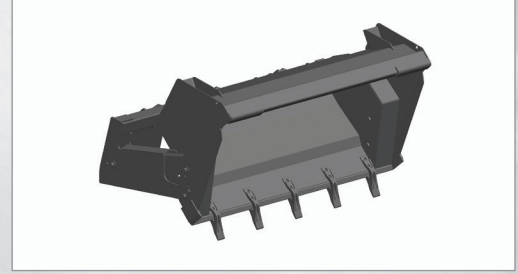

Ease of access to driver and daily maintenance. When loader is uninstalled, tractor can be used for any other purpose or sold with a higher resale value.
